CUFSS LIMITED DIRECTORS' REPORT

The Directors of CUFSS Limited submit herewith the annual financial report of the company for the financial year ended 30 June 2017 and in order to comply with the provisions of the Corporations Act 2001 the Directors report as follows:

Directors

The following persons were Directors of the company during the financial year and up to the date of this report: B A Williams (Chairman); R Keogh; D Walsh; K McKenna; P McNamara and David Taylor

For information on Directors regarding their qualifications, experience, responsibilities, directorships in other entities, declared interests, and meeting attendances refer to pages 4 to 5 which are to be read as part of this report.

Principal Activity

The company's principal activity is the provision of emergency financial liquidity support services for the benefit of Australian Mutual Authorised Deposit Taking Institutions (ADI'S). During the year there were no significant changes in the nature of those activities.

No new members joined during the financial year.

During the year the SAM group encouraged their members to support the ongoing operations of the company. This was done in part by suggestion to their members that their respective "Plan B" include only ADIs that are members of CUFSS. In the SAM group's view this will encourage larger members of CUFSS to remain as members of CUFSS.

The following members terminated their membership during the financial year:

- Police & Nurses Limited trading as P & N Bank effective 1st July 2016; Big Sky Building Society Limited effective 1st January 2017;
- Pulse Credit Union Limited 7th May 2017;
- EECU trading as Nexus Mutual 7th May 2017.

Police Bank Ltd has given notice of termination of their membership which will be effective 1st September 2017.

The Board believes that the company remains viable to deliver on its objectives for the short to medium term.

Refer to further comments under "Subsequent Events" and "Future Developments" headings.

Review of Operations

The profit after income tax expense of the company for the year ended 30 June 2017 was a loss of \$1,164 (2016 \$3,251 profit).

The Directors believe that the results are in line with expectations.

Dividends

No dividend has been declared or paid for the year ended 30 June 2017 (2016: \$0)

The Directors do not recommend a dividend in respect of the current financial year.

Subsequent Events

The Board of Directors have determined based on the strategic review that CUFSS has a finite future and has begun a process to engage members about the future of the company. The Board has determined that the Members of the company will determine CUFSS future. There has not been any other matter or circumstance, other than that referred to in the financial statements or notes thereto, that has arisen since the end of the financial year, that has significantly affected, or may significantly affect, the operations of the entity, the results of those operations, or the state of affairs of the entity in future years.

Future Developments

Other than the Strategic Review referred to above and process detailed under Subsequent Events there is no known future developments that will have a material effect on the Company's business or performance.

CUFSS LIMITED
DIRECTORS' REPORT (continued)

Indemnification of Officers

The company has agreed to indemnify the Directors of the company and the Company Secretary and any related party against a liability that may arise from their positions within the company to the extent permitted by the Corporations Act 2001. The contract of insurance prohibits disclosure of the nature of the liability indemnified.

The company paid premiums of \$842 (2016: \$842) in respect to directors' and officers' liability insurance during the financial year. The contract of insurance does not include details of premiums paid in respect of individual officers of the company and prohibits disclosure of the amount of the premium paid.

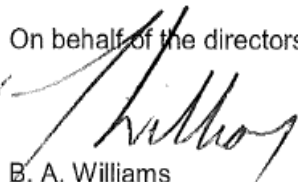

The company has not otherwise during or since the financial year, indemnified or agreed to indemnify an officer or auditor of the company, or a related entity, against a liability incurred in their capacity as an officer or auditor.

Signed in accordance with a resolution of Directors made pursuant to S298 (2) of the Corporations Act 2001.

Independence Declaration

The auditor's independence declaration for the year ended 30 June 2017 has been received and can be found on page 7 of the financial report.

**AUDITOR'S INDEPENDENCE DECLARATION
UNDER SECTION 307C OF THE CORPORATIONS ACT 2001
TO THE DIRECTORS OF
CUFSS LIMITED**

We declare that, to the best of our knowledge and belief, during the financial year ended 30 June 2017, there have been:

- i) no contraventions of the auditor independence requirements as set out in the *Corporations Act 2001* in relation to the audit of CUFSS Limited; and
- ii) no contraventions of any applicable code of professional conduct in relation to the audit of CUFSS Limited.

Name of Firm: THOMAS HOPPER & PARTNERS
Chartered Accountants

Name of Auditor: 
Steven Dadich

Address: 1/68 Alfred Street Milsons Point NSW 2061

Dated this 6 **day of** SEPTEMBER, 2017.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CUFSS LIMITED**

We have audited the accompanying financial report of CUFSS Limited, which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 2, the directors also state, in accordance with Accounting Standard AASB 101 *Presentation of Financial Statements*, that the financial statements comply with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of CUFSS Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF
CUFSS LIMITED

Opinion

In our opinion:

- (a) the accompanying financial report of CUFSS Limited is in accordance with the *Corporations Act 2001*, including:
 - (i) giving a true and fair view of the company's financial position as at 30 June 2017 and of its performance for the year ended on that date; and
 - (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*; and
- (b) the financial statements also comply with International Financial Reporting Standards as disclosed in Note 2.

Emphasis of Matter – Going Concern

We draw attention to Note 18 and Note 19 of the financial report, along with comments included in the Directors' Report, which highlight the ongoing decline in members subscribing to the industry support framework administered by CUFSS Limited. It is the intention of the Board of Directors to continue to engage Members in determining the company's future with a view to continuing as a going concern. Our opinion is not modified in respect of this matter for the financial year ended 30 June 2017.

2. SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance

The financial report is a general-purpose financial report, which has been prepared in accordance with the Corporations Act 2001, Accounting Standards and Interpretations, and complies with other requirements of the law. Accounting Standards include Australian equivalents to International Financial Reporting Standards ('A-IFRS'). Compliance with the A-IFRS ensures that the financial statements and notes of the Company comply with International Financial Reporting Standards ('IFRS').

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Basis of Preparation

The financial report has been prepared on the basis of historical cost, except for the revaluation of certain non-current assets and financial instruments. Cost is based on the fair values of the consideration given in exchange for assets. Unless otherwise indicated, all amounts are in Australian dollars.

Critical Accounting Judgements and Key Sources of Estimation Uncertainty.

Management is required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstance, the results of which form the basis of making the judgements. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or periods.

Accounting policies are selected and applied in a manner, which ensures that the resulting financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions or the events is reported.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

a) Cash and cash equivalents

Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

b) Employee benefits

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably. Liabilities are recognised in respect of employee benefits, which are expected to be settled within 12 months.

c) Receivables

Trade and other receivables are measured at amortised cost using the effective interest method less impairment.

d) Impairment of financial assets

At each reporting date, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

e) Income Tax

The income tax expense for the period is the tax payable on the current period's taxable income based on the company income tax rate, adjusted for changes in deferred tax assets and liabilities and unused tax losses.

Deferred tax assets are recognised when temporary differences arise between the tax base of assets and liabilities and their respective carrying amounts, which give rise to a future tax benefit, Or where a benefit arises due to unused tax losses, but are only recognised in both cases to the extent that it is probable that future taxable amounts will be available to utilise those temporary differences or tax losses.

Deferred tax liabilities are recognised when such temporary differences will give rise to taxable amounts being payable in future periods. Deferred Income Tax assets and liabilities are recognised at the tax rates expected to apply when the assets are recovered or the liabilities are settled.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

f) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, for which it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the net estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. Where the provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. When some, or all, of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(g) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except:

- i. Where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. For receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(h) Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated rebates and other similar allowances.

Interest revenue is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset.

17. FINANCIAL INSTRUMENTS

The Company's most material financial instrument is a deposit/overdraft account the Company maintains with a related company, Cuscal Limited. The account is conducted on the same basis as applies to credit unions and other parties who maintain deposit/overdraft accounts with the related company.

	30 June 2017	30 June 2016
	\$	\$
Carrying value	121,329	103,244
Fair value	121,329	103,244
Interest rate is repriced within one month in both the current and prior year.		
Interest rate at the end of the financial year	1.35%	1.60%
Average balance	230,040	245,387
Interest revenue	3,298	4,355
Average interest rate	1.43%	1.77%

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: foreign exchange (currency risk), market interest rates (interest rate risk) and market prices (price risk). The cash balance is exposed to movements in interest rates.

A sensitivity of a 0.5% increase or decrease in interest rates on average balances has been used as this represents management's assessment of the possible change in interest rates. A positive number indicates an increase in profit or loss while a negative number indicates an equal and opposite impact on profit or loss.

Sensitivity impact	Decrease 0.5%		Increase 0.5%	
	2017	2016	2017	2016
	\$	\$	\$	\$
Profit or loss	(1,550)	(1,228)	1,550	1,228

Credit risk

Cuscal Limited is an approved deposit taking institution regulated by APRA. Cuscal currently holds an A+/Stable/A-1 (long term) and A-1 (short term) rating from Standard and Poor's - the last three annual S&P assessments have produced the same ratings result. Accordingly the Company believes the deposit/overdraft account is subject to minimal credit risk.

Interest rate risk

As the deposit/overdraft account bears floating interest rates, the Company is exposed to interest rate risk, should short-term rates vary. As the Company is cash positive, this exposure may cause interest revenue to vary.

Liquidity risk management

The Company manages liquidity risk by maintaining a substantial cash balance, which includes effectively holding all its equity in cash.

17. FINANCIAL INSTRUMENTS (CONTINUED)

Fair values of financial assets and liabilities

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their respective fair values, determined in accordance with the accounting policies in Note 2.

18. SUBSEQUENT EVENTS

Police Bank Ltd has given notice of termination of their membership which will be effective 1ST September 2017. This will have minimal impact on the company.

Over the past three financial years the Board has undertaken a Strategic Review of the future of the Company engaging KPMG as consultants. The outcomes of the strategic review were reported to members at the 2015 and 2016 Annual General Meeting. The Board continues to review the future of the company. In light of the review the Board believes that the company remains viable in the short to medium term.

There has not been any matter or circumstance, other than that referred to in the financial statements or notes thereto, other than the comments made at Note 19 Going Concern; that has arisen since the end of the financial year, that has significantly affected, or may significantly affect, the operations of the entity, the results of those operations, or the state of affairs of the entity in future years.

19. GOING CONCERN

In view of the recent decline in members subscribing to the industry support framework administered by CUFSS Limited, the company continues to discuss the future options past the short term. Members will continue to be engaged in determining the company's future.

At the time of finalising the financial statements, it is expected that CUFSS Limited will be able to pay its debts as and when they fall due over at least the next 12 months and therefore continue to operate as a going concern.
